OGGON[®]
ENTERPRISES

Making an innovative and customisable office chair design.

Oggon Enterprises is a renowned chair manufacturer and supplier based in Mumbai, dedicated to designing office chairs with creativity and customisation options. With our wide range of products, we cater to various establishments, including corporate offices, restaurants, cafeterias, hospitals, schools, and auditoriums. Our diverse collection includes executive chairs, mesh chairs, leather chairs, computer chairs, bar chairs, visitor chairs, training chairs, restaurant chairs, cafeteria tables, waiting room chairs, classroom benches, garden benches, lounge chairs, banquet chairs, and sofas. Whether you need a comfortable seating solution for your office or stylish furniture for your hospitality business, we have you covered.

As a leading chair manufacturer in Mumbai, our primary goal is to deliver office chairs of the highest quality, offering optimal comfort, durability, and affordability. We understand the importance of comfortable seating during long working hours, so we prioritise comfort in our designs. We strive to exceed customer expectations by providing various options to suit different preferences and requirements.

Years of dedication, quality craftsmanship, continuous progress, and a strong sense of responsibility have earned us the trust and gratitude of our customers. Our commitment is to become the top furniture provider in the industry by consistently delivering high-quality products and exceptional after-sales services.

Choose Oggon Enterprises for your office chair needs and experience the perfect blend of comfort, style, and durability.

ABOUT US

OGGON[®] ENTERPRISES

VISION

By offering our clients both high-quality products and excellent after-sale support, we hope to establish ourselves as the industry's preeminent furniture supplier and become industry leaders.

WHAT WE OFFER?

At our chair manufacturing company, we take pride in providing exceptional products with flexible options to meet the unique requirements of our customers. We understand that chairs should be tailored to individual needs, which is why we offer a diverse range of choices. Our collection caters to various preferences, from ergonomic office chairs to stylish executive chairs. Each chair is crafted using high-quality materials, ensuring durability and longevity.

In addition to our standard designs, we offer various customisation options, allowing you to create the perfect chair for your home or office. Our commitment to customisation empowers you to personalise the chair's features, ensuring optimal comfort and style.

OUR USP:

10+ Years of Office
Chairs Expertise

Corporate
Build Quality

Expedited
Delivery

WHY CHOOSE US?

★ Customers Love Us

We had built a strong reputation with our vast experience and exceptional customer service before, during and even after the sales.

★ User Friendly Chairs

Before we accept your order, we comprehend your needs and assurance to deliver our excellence ranging from traditional to contemporary chairs

★ Ergonomics For Comfort

All our products designs provide extra comfort to keep your posture right & spine healthy

★ Design

Our approach with an interest in industrial design, aims at improving your posture and offering correct support that enhance the appeal as well as the potential of the production processes.

★ Quality

Quality permeates our entire production chain, from the selection of raw materials, to the supply chain control, through to our customer service.

★ Raw Material

We search for the best durable material available in the market for better comfort which is resistant to all weather.

★ Made In India

Our products are entirely made in India. It is a guarantee that everything we do is focused on the pursuit of attractive, quality products, devised to improve people's lives.

★ Reliability & Versatility

Customers who choose OGGON ENTERPRISES products are monitored and assisted directly and continuously, from the time of transportation through to our after-sales customer care service.

★ People

We have a people-focused approach. When we choose to work with someone, that choice is based on the person's professional skills, reliability and human talents.
